Re: Support Removing Mono Lake Tufa Natural Reserve from the Closure List

Dear Mr. Green,

The Mono County Board of Supervisors is very committed to finding a solution as soon as possible that will result in the Mono Lake Tufa Reserve being taken off the California State Park closure list.

Our County's economy is primarily tourist driven and people are making their travel plans right now for next spring and summer. As has been discovered, this State park does not have a large financial impact on the State and is already utilizing shared resources with Mono County, the Inyo National Forest, non-profits (such as the Bodie Foundation), and other local groups. We are very interested in facilitating an outcome that saves this very important park.

Sincerely yours,

Duane "Hap" Hazard, Chair
