Expresses the intent of the Legislature that the Secretary of the Resources Agency should consult with specified interested parties to determine whether the Department of Water Resources should continue to inspect dams that are licensed by the Federal Energy Regulatory Commission. *Vetoed by the Governor.*

Miscellaneous

AB 105 (Wiggins) Water Omnibus Act of 2003. Makes a variety of changes in the Water Code, relating to safe drinking water, the Reclamation Board, urban water plans, and local groundwater management agencies. The bill also declares Legislative intent to appropriate \$48 million to the Department of Conservation for grants under the California Farmland Conservancy Program Act and to the Wildlife Conservation Board to protect grazing lands and grasslands. The water related provisions of the bill were originally in SB 654 (Machado) and were amended into this bill when SB 654 was amended for the purposes of the Quantification Settlement Agreement. *In Assembly for concurrence in Senate amendments.*

AB 426 (Richman) State Water Project: solar panels. Authorizes the Department of Water Resources to permit the installation of solar panels on State Water Project right-of-ways. Later changed to another subject outside of the committee's jurisdiction. *Died due to failure to meet deadline for passage in house of origin.*

AB 1908 (Canciamilla) Water Corporations. Removes jurisdiction of investor-owned water utilities from the California Public Utilities Commission and gives it to the Department of Water Resources. *Held in Senate Energy, Utilities & Commerce Committee.*
